CYCLOPS SUPERBONUS

ROULETTE DISPLAY & BONUS GAMES

The **SuperBonus** is a brilliant Roulette addition to attract more players to live Roulette tables and significantly raise casino drop. The idea behind the SuperBonus was inspired by the classic roulette and not borrowed from other games. This way SuperBonus will not confuse players and will keep them within the traditional American roulette atmosphere: 2 additional virtual wheels along with the live one shall generate random numbers combinations which create (depending on the coincidence of numbers and colors) 3 additional game events: Free Game, Lucky Spin, and Super Bonus. When one of these events drop each player who places a wager will be awarded according to the picture below.
